

# All About Chameleons

Writers must stay on topic. Cross out the statements that do not belong in a paragraph teaching about chameleons.

A chameleon is a lizard.

A bearded dragon is a lizard.

An armadillo lizard lives in the desert.

Some chameleons can change their skin color.

There are many different kinds of chameleons.

My friend has a pet lizard.

All chameleons eat insects.

I saw a chameleon at the zoo last week.
