Title I Key

Title I: Part A

Improving basic programs operated by state and local educational agencies

The purpose of Part A is to provide all children significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps.

Title I: Part C

Education of migratory children

Part C funds assist states in supporting high-quality and comprehensive educational programs and services that address the unique educational needs of migratory children.

Title I: Part D

Prevention and intervention programs for youth who are neglected, delinquent, or at-risk

Part D is targeted to improve educational services for youth in local and state institutions for neglected or delinquent children and youth so that such youth have the opportunity to meet the same challenging State academic content standards that all children in the state are expected to meet.

Title I: Part F

General provisions

Part F provides financial incentives for schools to develop comprehensive school reforms, based upon scientifically-based research and effective practices that include an emphasis on basic academics and parental involvement so that all children can meet challenging State academic content and academic achievement standards.
