Custom Shape Creation — MyShape™

Want to be able to cut your school's mascot on your Cutout Maker? How about a logo your student designed in class? To personalize your walls and bulletin boards with shapes that are tailored to your school, unlock the **MyShape™** feature for the Cutout Maker 2800 and gain the ability to import your own shapes when you invest in *Premium Content Access!*

*Cutout Maker 2800 Only* —

Custom Shape Program

For complex shapes that require a bit more assistance, work with our graphic designer through the [Custom Shape Program](#), where we can create a shape for you!

CUSTOM SHAPE PRICING	CATALOG #	PRICE
Simple Custom Shape	CS001	\$175.00
Complex Custom Shape	CS003	\$275.00
Additional Design Styles	CS004	QUOTE

*The cost of the shape is contingent on its complexity. Please note that very simple shapes will have a low price point while complex shapes will have a high price point. Additional shape design style fees are quoted in addition to the base Custom Shape price. Our designer will provide a quote for the additional styles prior to the start of the design process.*

*We cannot guarantee that all submitted shapes can be made into a cut file - but we'll do our best!*
